Subject: Say "NO" to unpredictable APS electric costs

Mar 8, 2017

Arizona Corporation Commissioner Tom Forese
1200 W. Washington
Phoenix, AZ 85007

Dear Arizona Corporation Commissioner Forese,

My APS electric bills are already high enough!

Please say NO to APS' request to increase the monthly fixed charge and to raise many electric bills. Say "NO" to APS imposing on many a new mandatory "demand charge" making electric bills less predictable and more difficult to control.

There was no Social Security COLA in 2016. Prescriptions and medical costs keep going up. Why should APS get a bigger increase than we do on Social Security?

I should be able to predict and control the cost of my monthly electric bill. Please do not allow APS to impose mandatory "demand charges" making many electric bills harder to predict and control.

I should pay fair electric rates and not a penny more. It is only fair that I should be able to predict and control the cost of my monthly electric bill.

I look forward to your action.

Thank you.

Sincerely,

Mr. David Gray
